The Aims and Ethos of Children's International School

CIS: Seeks to “Nurture, Empower and Transform” by ensuring that we provide an environment that allows the potential of each student to be realised. We provide challenge, encourage initiative, promote empathy and develop responsibility. It is our aim that students leave the School as self-confident young people equipped with the knowledge, skills and attributes that will allow them to lead a happy and fulfilled life and to make a difference for good in the wider community.

We do this through offering:

- A rich and stimulating educational experience which encompasses academic and extracurricular
- A supportive and well resourced learning environment in which all students are able to succeed.
- We wish CIS to be renowned for:
- Being a learning community that provides a rounded broad based curriculum and excellent teaching.
